## 7 ESSENTIAL STEPS TO SECURING YOUR INTELLECTUAL PROPERTY

 Download & read full

article

Intellectual property represents the property of your mind or intellect. It can be an invention, trade mark, original design or the practical application of a good idea. In business terms, this means your proprietary knowledge - a key component of success in business today.

The purpose of this white paper is to suggest a security strategy methodology in order to protect your organisations intellectual property (IP) against most common threats.

Enjoy!
